

AT A GLANCE

Chris Clark — Chief Information Officer · Chief AI Officer

I turn AI strategy into delivered outcomes.

chris.clark@clarkfamilyusa.com · 202-213-3510 · Washington, DC · <https://linkedin.com/in/chrisclarkin> · <https://chrisclarkcio.clarkfamilyusa.com>

TOP STRENGTHS

Executive Facilitation • **Enterprise AI Strategy** • **ERP-Led Transformation** • **Oracle Fusion and SAP S/4HANA** • **Program Recovery / IV and V** • **Vendor Selection and BAFO**

PROVEN OUTCOMES

5

Oracle Fusion go-lives in 5 yrs

>97%

Program budget accuracy (EVM)

10

Production AI agents shipped

~22%

Vendor bid-to-BAFO cost reduction

11

Legacy systems retired

100+

Consultants led, multi-vendor

WHAT DRIVES ME

Technology works when it changes the numbers in the board deck. I take on the hard, multi-vendor, high-stakes programs others stall on, bring AI in where it removes real cost and risk and stay accountable through go-live and benefits realization.
